$7.49 Net Cost

Option 1: Natural Body and Soft Waves (Normal Hair)

This gentle formula is specifically designed to provide soft, flowing waves and added volume for clients with fine to medium hair that is either normal or previously permed.
IS2 ISO 0001

ISO Option 2: The Color-Safe Choice (Color Treated)

Consistently popular among stylists, this thio-free waving lotion is specifically engineered to protect and nourish every type of color-treated hair while delivering definitive, healthy curls.
IS2 ISO 0002

ISO Option 3: The High-Definition Powerhouse (Extra Firm)

Designed for maximum impact, this firm-hold system is a favorite for transforming normal to resistant and coarse hair into big, voluminous, high-fashion curls.
IS2 ISO 0003

ISO Option4: The Texture Specialist (Exothermic)

This top-selling formula is the go-to solution for creating soft, loose texture and beachy waves on fine to medium hair that is either natural or previously permed.
